Self-guided Workshops

Design & implementation using Nearpod

Fill in the Blanks

1,449

83

During the spring term, UCW Library provided _____ self-guided Nearpod sessions for course integration, reaching _____ students.

Current Self-Guided offerings

1. APA: The Basics
2. Industry Research
3. Intro to Library Research
4. Academic Integrity
5. Non-Acedemic Searching
6. Data and Where to Find it

Student Feedback

- "Its fantastic experience, though it was asynchronous still i find very interesting and engaging"
- "I like it, it is interactive"
- "Really enjoyed the game at the end of the workshop. It makes you want to do more!"
- "Workshops simplified like this make learning fun"

Time To Climb

Click the PLAY button!

Benefits

- Recycle Slides to create course specific request
- Highly detailed Participation reports
- Ref stats
- Room for creativity

Drawbacks

- Basic tech skills needed
- Each class section needs its own link
- No spellcheck
